Will Ask for More Money for Schools.

At the special town meeting to be called later at the request of East Killingly residents and taxpayers who have petitioned for the meeting at which the voters will be called upon to pass on the proposition of rebuilding the Valley schoolhouse, the town school committee will also seek an additional appropriation sufficient to meet the cost in excess of \$2,000 of maintaining Killingly's schools during the present year. The sum mentioned is the amount that was appropriated for schools at the annual town meeting last fall and notwithstanding every effort of the school committee to keep within that limit of expenditure—gross, not net, expenditure it has been unable to do so, if bills contracted before September 1, 1913, but paid since that date, are to be charged against the appropriation of \$2,000.

Mrs. Edward Porritt will speak before the Putnam Equal Franchise league Wednesday evening, April 15, in Odd Fellows' hall. She is the press secretary of the Connecticut Woman Suffrage association, and it is through her efforts that every newspaper in Connecticut receives a weekly bulletin of suffrage news. The meeting is to be open to the public and the league hopes that many will take advantage of this opportunity to hear Mrs. Porritt.

There will be a musical program. Mrs. John C. Phillips of Wauregan will sing the following selections: Somebody, Some Time; Clark Rockin' in De Win; Neidlinger Time's Roses; Harry.

Mrs. Phillips will be accompanied by Miss Emma Burbank, Danielson.

**MRS. LYON'S ACES AND PAINS**

Have All Gone Since Taking Lydia E. Pinkham's Vegetable Compound.

Terre Hill, Pa.—"Kindly permit me to give you my testimonial in favor of Lydia E. Pinkham's Vegetable Compound. When I first began taking it I was suffering from female troubles for some time and had almost all kinds of aches—pains in lower part of back and in sides, and pressing down pains. I could not sleep and had no appetite. Since I have taken Lydia E. Pinkham's Vegetable Compound the aches and pains are all gone and I feel like a new woman. I cannot praise your medicine too highly."—Mrs. AUGUSTUS LYON, Terre Hill, Pa.

It is true that nature and a woman's work has produced the grandest remedy for woman's ills that the world has ever known. From the roots and herbs of the field, Lydia E. Pinkham, forty years ago, gave to womankind a remedy for their peculiar ills which has proved more efficacious than any other combination of drugs ever compounded, and today Lydia E. Pinkham's Vegetable Compound is recognized from coast to coast as the standard remedy for woman's ills.

In the Pinkham Laboratory at Lynn, Mass., are files containing hundreds of thousands of letters from women seeking health—many of them openly state over their own signatures that they have regained their health by taking Lydia E. Pinkham's Vegetable Compound; and in some cases that it has saved them from surgical operations.
